DANCES

Changes

This year's Homecoming Dance was a huge success. Homecoming is by far one of the most exciting dances for all. Sophomores are finally getting their first taste of senior high social life while the seniors try and make their final Homecoming Dance last. This year was no exception. More couples than

ever attended the dance entitled "Changes". Everyone jammed to the unique sounds of "Smart Set". The 1985 Homecoming weekend was an exciting one, and the dance made it even more so. It was a great time and will be remembered by all.

TURNING THE TIDE

The Sadie Hawkins' Dance was just as big a success as in past years. The girls, knowing they would have to foot the bill, once again found the nerve to ask that special guy. As the Daisy Maes and L'il Abners arrived at the festivities, they were excited to hear music provided by a local D.J. What a time it was!

One: Tammy Schaff and Paul Hutchins enjoy a slow dance. *two:* Chris Porowski shows Betsy Krumholtz how to dance. *three:* Lynn Reece boogies with expression. *four:* Todd Ernst and Kim Kendall are ready for Dance Fever. *five:* Hanne Thomsen shows Jim Van Tassel how to dance like a Dain. *six:* What a cool dancer Amy Stallard is! *seven:* Mike Nezi gets caught in the act with Melissa Fries. *eight:* Gisella Bassani claps the beat out for Steve Williams. *nine:* Heather Thomas and Trenton Smith slow down their dance pace.

"DADDY, YOU'RE MY STAR"

This year's Father-Daughter Dance, sponsored by the Jilletes, was a big success as always. The girls' gym was all decorated in blue and silver as the senior high girls treated their dads to a

night out. Music, of both the father and daughter's generations, was provided by a D.J. The king of the dance was Chuck Roedersheimer, and Valerie Williams was the princess.

One: Michelle Kantor and her dad dance the night away. Two: The king, Mr. Roedersheimer, and his princess, Valerie Williams, enjoy that symbolic dance. Three: The drillies show us how its done. Eight: Natasha Mitchner spots a friend.

Beachcombers 1986

BEACHCOMBERS 1986: The biggest, badest, rowdiest, hottest, and best dance of 'em all was no less. The Oakwood YMCA was full of hot, sweaty, anxious, wild students from grades 9-12. The atmosphere was definitely tropical with paper pineapples, leis,

shades, and, of course, a variety of beach apparel combinations. The music was provided by a DJ and was obviously good. Beachcombers, one of the most favored dances of the year, was certainly everything it's known for.

TURNABOUT

As the time for the Turnabout dance approached, Oakwood girls realized it was their turn to ask a date, buy the necessities, and drive to the dance. This year was no exception. This year's King of the Turnabout dance was Todd Ernst. His noble court included Mark

Eckstein, Rob Henry, Kevin Lauterbach, and Chris Porowski. The music was provided by a disc jockey from WTUE. The music, the dancing and the dates made an exceptional evening possible for all.

Junior Assembly

The Freshman Junior Assembly Dances are represented here by the highlight dinner-dance, the final J.A. of the year. The first two dances were

held at the Masonic Temple, and the last was held at The Presidential Banquet Center. The freshman are now ready to hit the senior high dances.

This year's prom was definitely memorable. Everyone arrived at the Ramada in their tuxedos and gowns prepared to party with "The Move". Not only was Phil Comstock the lead singer of "The Move", but was also the Prom King along with Susie Herman who was the queen. The other prom candidates consisted of Kim Huber, Amy Stallard, Elizabeth Cline, and Tracey Neeb for queen and Kevin Lauterbach, Mark

Eckstein, Tom Krebs and Todd Ernst for king. Not only was the Ramada rockin' but so was the Belton Inn where everyone drifted after the dance. Skateworld was also a point of excitement as the site of the after prom party. As the sun began to rise, many people decided to head for breakfast and then for a bed. On the whole it was a fantastic and exhausting prom night.

NATIONAL MERIT SCHOLARSHIP

The National Merit Scholarship is awarded to students who do very well on the PSAT. Only one out of every 200 students advances to the semi-finalist position. For a school to have one winner is an accomplishment but to have seven is unprecedented. To put things in perspective Fairmont has five times as many seniors but only 3 semifinalists. To be a semifinalist one must be in the top 99% percentile. The semi-finalists from oakwood are Chris Harris, David Huggins, Gib Fitzpatrick, Russ Waitman, Miles Wright, Rachel Ramsey and Colleen Bailey. Each finalist will find out in February if he is a finalist. GOOD LUCK and GOOD JOB!

Teachers' Ties

A tie is defined by Thorndike's dictionary N. ... any ornament knot of ribbon. To our teachers it means so much more. Some teachers choose to wear one; some don't. The colors are as varied as the subjects. Some are earth tones, some are non-repeating patterns, while others are traditional. They are silk or linen or not. They could be Robert Talbott or J.C. Penny. With each teacher comes his or her preference. See if you match the teacher to the tie.

Guess Who? From top to bottom: Mr. Eifert, Mr. Wilkinson, and Mr. Pack. Opposite: Mr. Wilkinson's grand tie and Mr. Holland's neckwear.

THE SPIANS GET WILDER

From the first introductory note of the piano to the final bow, *Our Town*, the fall play, captivated its audience. Thornton Wilder's classic play of life, love, and death in a small New England hamlet challenged the directorial talents of Barbara Calerese and Anne Koenig. Through the sensitive narration of the stage manager, Pat Graham, the audience was drawn into the lives of George Gibbs and Emily Webb, played by John Saurine and Melissa Campbell, respectively, from their wedding to the tragic day of her funeral. The cast, choir, crews, and directors are to be commended on a magnificent job and a fine performance.

Bottom right: Laura Norwalk was exceptional as Mrs. Webb. Middle: Mike Geiger, Michelle Green, and Diane Cahille were the fall play's "motley crew."

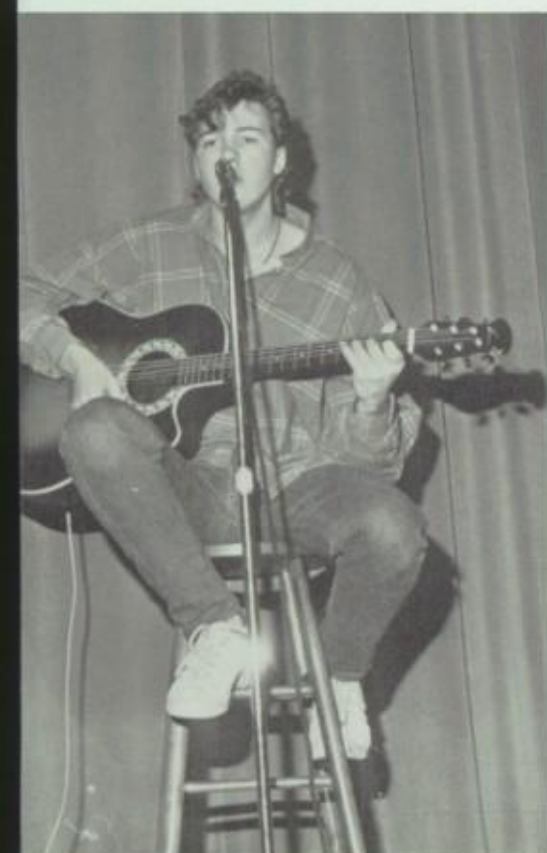

TALENT SHOW

The mood of the evening was electric as eleven extremely talented acts took over Oakwood's stage. Oakwood's fifth annual Talent Show Extravaganza brought the humor and the music of some unique students into the lime-light. Acoustic guitar duet Mike Fondy and D'Arcy Walther and soloist Phil Comstock, played between groups like the Move, Contra Band, SWD, and the Peanut Butter Dirt Band. Presence, led by Screamin' Lord Jer, won the award for best group. Also noteworthy was the winner of the comedy group award, Let's Cook with Mark Dooley and Andy Jones. Their culinary experiment on the simple taco recipe prompted more than bellylaughs from the crowd. Don't let it be said that the only highlight of the evening was Bob LeBoeuf's "real-velvet" lemon-colored tuxedo jacket.

"Pippin"

Tradition burned as Oakwood boogied its way onto a new plateau of musical entertainment. Pippin enchanted both young and old with its rock 'n roll beat, wild stage, glittering lightshow and stunning choreography. It told the story of Prince Pippin and his crisis in trying to discover his place in the universe. Junior Steve Williams played the title role, mixing humor and pathos to create a remarkable and symbolic character. The supporting characters played by Glenn Stoops, Laura Norwalk, John Saurine, and Betsy Almoney were also crucial in weaving the fantasy.

Top: Pippin is surrounded by chaos as he tries to make a decision. *Middle Left:* Grandmother Berthe has not lost her ability to draw men, *Middle:* Steve Williams as Pippin sings of his singular quest. *Middle Right:* The Leading Players, Betsy Almoney and John Saurine entertained the audience. *Bottom:* Gissella Bassani finds Spring musicals an uplifting experience.

That Day In May

Every Oakwoodite who likes a parade loves That Day in May. "That Day", which amazingly took place in May in 1986, offered its famous parade, food, the hottest race in Oakwood and a plentitude of games. As usual, the Oakwood Rotary sizzled up breakfast for the hungry early-morning masses. Although there was not an art show in 1986, "That Day in May" continued the tradition of attracting all of Oakwood together.

Homecoming '85

The mood is tense. All eyes are on the field, where the mighty Lumberjacks have just come through a hair-raising first half. The exhausted players file off the field. The crowd is unsettled by the struggle the Eaton Eagles are putting up against the Jacks. The half-time ceremony commences. The crowning of homecoming queen Betsy Almoney seems to lift everyone's spirits, and the Jacks bounce back in the second half to claim a 10-3 victory over Eaton. Rob Henry's record-setting 46 yard kick and Chris Skardon's game-winning touchdown pass to Jerry Schwartz are just two of the many highlights of Homecoming '85 that will be long remembered.

In Pursuit Of Excellence

May 29 was a very special day in the Junior High School when awards were given for excellence in another tough year. Hjalmar Pompe Van Meerdervoort introduced the award presenters for debate, scholastic art, solo and ensemble music and other honors. The plaques, certificates and trophies were only the materialistic representation of the recognition these young recipients received during the assembly. The applause was their other reward.

BEST TEAM EVER

The Oakwood Lumberjacks were definitely back in 1985. It was the year that the Jacks would return to dominance. The varsity football team was undefeated in the regular season and 1-1 in the state playoffs. The 1985 team is the winningest team in OHS history, third undefeated team in OHS history, and first Oakwood team to reach the OHSA playoffs. They won the SWBL and were first in the Journal Herald rating poll, including Divisions III, IV, & V. The jacks lost the semi-final

regional game to Columbus DeSales, who eventually went on to win the state. Two players were named All-State, Dan Hines and D.R. Callentine. This is a great accomplishment for the individuals. Congratulations to them both and the team for helping them achieve it. Although the reserve team did not get to play many games this season because of injuries, they have the talent for another winning season next year. Good luck to the Jacks.

Super Soccer Season

The 1985 varsity boys' soccer team earned its best record ever of 14-3-2. No team scored more than 2 goals against Oakwood, and the defense had a record 12 shut-outs. Senior goal-keeper Jon Easton made all-state (A-AA) for the second year in a row, A-AA player of the year, and was an all-Mid-

west candidate. Senior Derek Sherk made all area first team as well as being an all-Midwest nominee. Over all, the team had a sensational year with many records broken and awards earned. Congratulations to Coach Bell, Coach Eckstien, and every member of the varsity team.

SWBL Champions

With a record of 18 wins and only 4 losses, the Oakwood Girls' Tennis Team had a rewarding season. The Jills were lead by Coach Wurstner and senior captains Emily Davis and Betsy Almoney. The girls swept the SWBL league tournament and in singles placed first and fourth in districts, in

doubles placed second and third in the district, and in singles and doubles placed third in regionals. The Jills went on to qualify for state. Most valuable player award went to Michelle Goecke, Brooke Czechowski received the coach's award, and Beth Bart was voted most improved.

The high school volleyball team ended the season with an 8-12 record due to the inexperience of this young team and the large number of injuries which occurred during the season. Losing only two seniors, all are looking to next year with eager anticipation.

The Varsity Captains for the 85-86

season were Seniors Michelle Lee, and Mindy Fry. The Reserve Captain was Sophomore Lynn Bockrath. The outstanding awards achieved this year were: District 15 All-Star team, Mindy Fry and Michelle Lee; Second Team SWBL, Michelle Lee, and Honorable Mention SWBL was Mindy Fry. The Varsity Jills ended the season with a disappointing yet well fought 4-16 record finishing 8th in the S.W.B.L. The Jills were lead by Seniors Michelle Lee, and Melissa Fries. The co-captains for the Jills were Betsy Dorn, and Melissa Fries. Although the Jills produced a disappointing season, there was a great deal of recognition awarded to the players.

Melissa Fries made 1st team S.W.B.L., and Junior Mary Whalen made 2nd team. Junior Betsy Dorn, and Sophomore Micki Cornett made Honorable Mention in the league. Melissa Fries was also elected to 1st team District 15. The reserve team coached by second year coach, Lissa Priest, finished their season with a record of 7-9. #1 S.W.B.L.

The Varsity Boys Track team had a very successful season this year. They accomplished many of their goals and are one of the best teams in Oakwood's history.

As a team they were first in the SWBL and seventh in the Class AA District meet. This is the first time Oakwood has won the league in almost a decade.

Individually most of the success went to the 400 M relay team consisting of Jerry Schwartz, Rob Henry, Bob Ross, and Jim Sheridan. During the regular season they were undefeated with 10 straight first places. They finished first in the SWBL, District, and Regional where they had their best time of 43.8. This time broke the school record of 45.8.

Congratulations to these individuals and to the team itself for the success they brought to Oakwood High School.

"Where are you going to college?" That is the never ending, unanswerable, question for those students just beginning their senior year. Then, as their senior year begins, things begin to fall in place, getting the applications in, passing the first semester, and, of course, living up to the senior standards? you ask. — Simply stated they are; sleeping in four out of five mornings, taking very long lunch breaks, and not taking your books home which is considered a sin.

The senior class of '86 is easily one of the best. They have the academic scholars, the jocks, and the all-around greats. They have brought unforgettable fame to the school. The football and soccer teams, both dominated by "seniors", had winning seasons. Also the academic accomplishments are spotlighted throughout the year. To all the graduates of '86, it will be the start of a new life to leave Oakwood and begin anew. Oakwood holds many memories for those past and present, and we hope we have been able to add to the quality and history for all to enjoy.

We have been fortunate to have Howard Sales as our football coach this year. He and his expert seniors led Oakwood to a South Western Buckeye League championship and two games in the State Tournament. Coach Sales also received his 100 win this year when we played Valley View. This year's team became the first Oakwood team to have a 10-0 season. It gave Coach Sales and the team a great deal of pride and opportunity for the future.

Exchange Students

This year Oakwood has been blessed by having four exchange students. From Germany we have three students, Roman Wienert, Hartwig Kraft, and Eckhart Schulte; and from Denmark we have Hanne Thompson. All of the students are staying the whole year except Eckhart who has to return early to finish his German school year. Hartwig is here with the Rotary Exchange program and is a letterman on the Cross-Country team. Roman is here with an experiment in International Living. He is participating in the chess club. Hanne is here with AFS and is a crew member in the Muse Machine's *Fiddler on the Roof*. This is an amazing year for our exchange programs because this is the most students at one time at Oakwood.

New Junior High Teachers

Two new teachers joined the junior high school staff this year. The new teachers are Mrs. Jan Achbach, and Ms. Janet Hess. Mrs. Achbach joins the staff with one Oakwood year under her belt. She also brings 9½ years of experience from other English classes.

With 14 years of experience Ms. Hess is obviously qualified. She is teaching Social Studies and has been a year-book advisor. With all of these years of combined experience the junior high should have a very educational year.

John Hagan Our New A.D.

This year at Oakwood we have a new Attendance and Athletic Director. His name is John Hagan, and he has not brought much of a policy change to the department. In the area of attendance he has stuck to the rules in the *Student Handbook*. He is trying to bring more attention to the different sports that do not receive as much publicity as sports like football. He has tried to familiarize himself with the community and the students. He has enjoyed Oakwood so far, and we are glad he is here.

New Senior High Teachers

Oakwood High School is privileged to have three new teachers in its classrooms. They are Ms. Robin Burkhardt, Miss Patricia McCormick, and Miss Elizabeth Priest. Ms. Burkhardt joins the math and science departments. This is her first teaching job, and we wish her luck. Miss McCormick is taking Ms. Carlile's place while Ms. Carlile is taking Miss McCormick's place. They are on a teacher exchange with Belfast, Ireland. She has added much to the art department here at Oakwood. Ms. Priest is replacing Mrs. Koogler as the girls' gym teacher. She is also the field hockey coach this year. These three are a welcome addition and bring much to Oakwood.

Banquets

This year the sports banquets had an extra touch of praise. They were able to laud the SWBL champs and the state golf team. We also had two all state football players and one state golf champion. They awarded the cross country runners, field hockey players, girls and guys soccer stars, girls tennis, and volleyball players. Coach Sales won his hundreth and the football team won ten. The food was wonderful like always with gourmet desserts and the usual fried chicken. The company was great, and the awards overwhelming. It was a great year for Oakwood, and it was obvious everyone enjoyed it.

Office Practice Aids School

Office Practice is an interesting class that is offered at Oakwood. According to Mrs. Davis, the class seems more like an office than a learning situation. They act like they are working for a ski manufacturer, and they do all the paper work for it. Besides learning about office work, the students also do numerous jobs for the school. They type the morning announcements, address envelopes, type special letters, and fill in all the names for the athletic certificates for the sports' banquets. These clerically minded students will be the businesswomen of tomorrow.

FOREWORD

We went to Plymouth. As graduating seniors, these few words imply all the things that Plymouth High School has meant to each of us. Whether we remember the long hours spent in trying to fathom our P.O.D., or the night we crowded into Lexington Gym to see the "Big Red" become Richland County Tournament Champions; Plymouth High School will always recall to us what Mr. Strohmenger referred to as "school pride." Of course, "going to Plymouth" can not help but be identified with such phrases as brownie point, fink-course, cramming, or detention; but we find it has many other associations too.

The enthusiasm shown in decorating the Senior rock, class rivalries, and that unmistakable union among the students at crucial moments.

We went to Plymouth, and we have too many memories to ever forget it.

DEDICATION

We, the class of 1964, wish to dedicate the 1964 Havamal to one that has been with us for five years.

We have grown to know and respect him as a friend and teacher. Under his guidance we have developed a better understanding of the Problems of our Government.

He has contributed much to our basketball team and to our school. Last year he led the 1964 Basketball team to the Richland County League Championship.

We are truly honored to have this man associated with our school system. We are proud to have him as coach of the "BIG RED." It is with great appreciation that we dedicate the 1964 Havamal to Mr. Ronald Hostler.

HISTORY

Our Freshman year was the beginning of our climb to graduation and we started it at Shiloh. We chose, as our President, Bill Miller and Marsha Russell was our Homecoming Attendant. It was an exciting year and we were happy because we had taken our first step on the stairway to graduation.

We were at Plymouth for our Sophomore year and we chose, as our President, Greg Cashman. Natalie Faust was our Homecoming Attendant. We had many of our class in sports and other activities. Fruit cakes were sold by us to help raise money for our prom the next year. We had taken our second step on the stairway to graduation.

Our Junior year was the most thrilling year we had ever had. We worked hard with Rich Sprowles, the President of our class, to give the best prom that Plymouth High School ever had. We had the theme, "Wonderland by Night" and it was held at the Hidden Hollow Lodge. We also gave our class Play "Old Doc." Barbara Butler was our Homecoming Attendant. Phil Fletcher, Bob Young, Bob Forsythe, Wesley Steele, and Ron Powers participated in football. Phil Fletcher, Bob Young, Chuck Kaylor, Girard Cashman, and Terry Hamman participated in basketball. We were proud and excited as we took our third step on the stairway to graduation.

With the excitement of exchanging senior pictures our Senior year began. Rich Sprowles was re-elected as President of our class. Natalie Faust was our Homecoming Queen with Jean Smith as her attendant. Our Varsity Basketball and Football teams were made up of our guys and we were very proud of them. Greg and Girard Cashman and Nero Howard led our cross country team, to many victories. Liz Archer was president of our Student Council and she did a wonderful job. Our Senior party was held at the Ashland Y on December 28th. The excitement of graduation drew near and with it we took our fourth step on the stairway to graduation.

As we received our diplomas we knew that this was only the beginning and not the end. We had reached the top of the stairway and we opened the door to the world that had been waiting for us for four years.

CLASS WILL

We, the great class of 1964, being of sober minds and responsible for all our actions, do hereby declare this to be our last will and testament. We therefore leave the following:

Second: To the coming Juniors, we leave the privilege of having a school crest on their class rings, which we wanted, but didn't get.

Third: To the coming Sophomores, we leave our ability to be friendly to underclassmen . . . it always helps to smile.

Fourth: To the coming Freshman, we leave four years of laughter and tears until you, too, shall process to "Pomp and Circumstances."

Fifth: To our Three Advisors, Miss Easterday, Miss Hunsberger, and Mr. Sage, we leave much thanks and a quiet homeroom, which it wasn't while we were there.

Sixth: To the faculty, we leave a part of each one of us and the many pleasant experiences we've had together.

Out To Lunch

Graduation: Our Final Destination

At last! A thought shared by all as the walk down the isle is taken, symbolizing one of the first major episodes in the lives of an amazing group of people. The class of 1986 contains extraordinary people that have accomplishments and honors that they can always be proud of. In the field of sports, they had a record breaking season. Academically, they received great sums of money in the form of scholarships and were highly awarded for their hardwork. Yet, the class of '86 was not all work, they knew how to have fun and enjoy themselves. They were closely knit and always willing to lend a helping hand. O.H.S. has been more than a learning institution to the class of '86. It has been a place to grow and to mature, to laugh and to cry. The class of 1986 thanks Oakwood High School.

We have been fortunate to have Howard Sales as our football coach this year. He and his expert seniors led Oakwood to a South Western Buckeye League championship and two games in the State Tournament. Coach Sales also received his 100 win this year when we played Valley View. This year's team became the first Oakwood team to have a 10-0 season. It gave Coach Sales and the team a great deal of pride and opportunity for the future.

Exchange Students

This year Oakwood has been blessed by having four exchange students. From Germany we have three students, Roman Wienert, Hartwig Kraft, and Eckhart Schulte; and from Denmark we have Hanne Thompson. All of the students are staying the whole year except Eckhart who has to return early to finish his German school year. Hartwig is here with the Rotary Exchange program and is a letterman on the Cross-Country team. Roman is here with an experiment in International Living. He is participating in the chess club. Hanne is here with AFS and is a crew member in the Muse Machine's *Fiddler on the Roof*. This is an amazing year for our exchange programs because this is the most students at one time at Oakwood.

New Junior High Teachers

Two new teachers joined the junior high school staff this year. The new teachers are Mrs. Jan Achbach, and Ms. Janet Hess. Mrs. Achbach joins the staff with one Oakwood year under her belt. She also brings 9½ years of experience from other English classes.

With 14 years of experience Ms. Hess is obviously qualified. She is teaching Social Studies and has been a year-book advisor. With all of these years of combined experience the junior high should have a very educational year.

John Hagan Our New A.D.

This year at Oakwood we have a new Attendance and Athletic Director. His name is John Hagan, and he has not brought much of a policy change to the department. In the area of attendance he has stuck to the rules in the *Student Handbook*. He is trying to bring more attention to the different sports that do not receive as much publicity as sports like football. He has tried to familiarize himself with the community and the students. He has enjoyed Oakwood so far, and we are glad he is here.

New Senior High Teachers

Oakwood High School is privileged to have three new teachers in its classrooms. They are Ms. Robin Burkhardt, Miss Patricia McCormick, and Miss Elizabeth Priest. Ms. Burkhardt joins the math and science departments. This is her first teaching job, and we wish her luck. Miss McCormick is taking Ms. Carlile's place while Ms. Carlile is taking Miss McCormick's place. They are on a teacher exchange with Belfast, Ireland. She has added much to the art department here at Oakwood. Ms. Priest is replacing Mrs. Koogler as the girls' gym teacher. She is also the field hockey coach this year. These three are a welcome addition and bring much to Oakwood.

Banquets

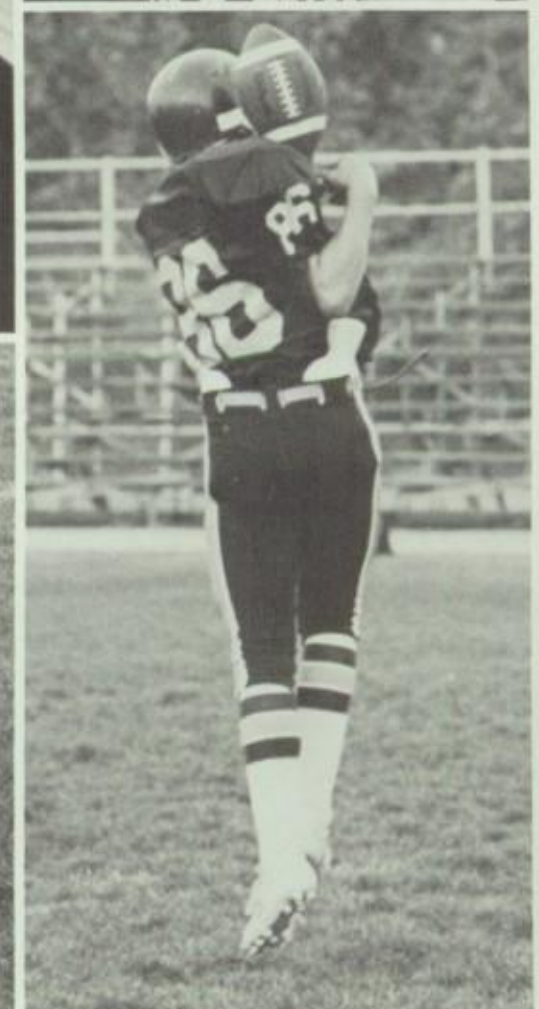

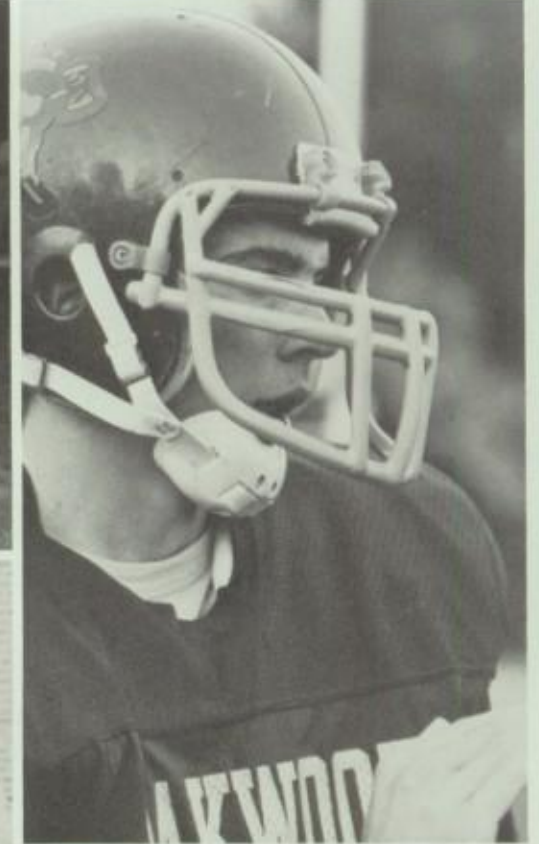

This year the sports banquets had an extra touch of praise. They were able to laud the SWBL champs and the state golf team. We also had two all state football players and one state golf champion. They awarded the cross country runners, field hockey players, girls and guys soccer stars, girls tennis, and volleyball players. Coach Sales won his hundreth and the football team won ten. The food was wonderful like always with gourmet desserts and the usual fried chicken. The company was great, and the awards overwhelming. It was a great year for Oakwood, and it was obvious everyone enjoyed it.

Office Practice Aids School

Office Practice is an interesting class that is offered at Oakwood. According to Mrs. Davis, the class seems more like an office than a learning situation. They act like they are working for a ski manufacturer, and they do all the paper work for it. Besides learning about office work, the students also do numerous jobs for the school. They type the morning announcements, address envelopes, type special letters, and fill in all the names for the athletic certificates for the sports' banquets. These clerically minded students will be the businesswomen of tomorrow.
